COMMISSIONER GENERAL,  
P.O. Box 11491,  
Mchafukoge - Dar Es Salaam.

**Subject: Application for ICT Officer II (Computer System Analysis and Development) Position.**

Dear Commissioner General,

I am writing to apply for ICT Officer II (Computer System Analysis and Development) position in your esteemed institution. With three years of experience as an IT officer at CDO and a bachelor's degree in Information Communication Technology with management from Mzumbe University, I possess the necessary skills and qualifications to contribute to your IT department's success.

During my tenure at CDO, I specialized in computer system analysis, web application development to support NGO issues and students' learning, and technical issues resolution. Proficient in programming languages such as PHP, C#, Python, and SQL, I have a solid foundation in database management and software engineering principles.

Please find attached my resume for your review. I welcome the opportunity to discuss how my expertise aligns with your organization's needs.

Thank you for considering my application. I look forward to the possibility of contributing to your esteemed institution as an ICT Officer II.

Sincerely,

DIAZ ARAM MWINUKA
